FORMAL TARGET SHOOTING FIREARMS ROSTER
05-2015

This Roster Supersedes All Previous Rosters

This roster has been compiled in accordance with M.G.L. c.140, § 123 and 501 CMR 7.00. It contains firearms which are exempt from the testing requirements described in M.G.L. c. 140, § 123, clauses 18th, 19th, 20th and 21st, and which may be sold by Massachusetts licensees pursuant to M.G.L. c. 140, § 123 and 940 CMR 16.01(f). The makes and models listed herein were reviewed by the GCAB and subsequently designated by the Secretary of the Executive Office of Public Safety as being solely designed and sold for formal target shooting competitions.

Modifications to this roster are likely to occur periodically, and Massachusetts licensees and law enforcement personnel should always utilize the most recent roster for the purpose of determining statutory compliance. The Formal Target Shooting Firearms Roster posted on the website of the Executive Office of Public Safety (www.mass.gov/EOPS) will contain the most recently approved models.
